A HISTORY OF FINANCIAL RESPONSIBILITY

- > Our “grass-roots” heritage has instilled a certain frugality ensuring every dollar contributed works to serve our mission, as it has for 40 years.
- > The Appleton Art Center’s finances are competently managed. Income from program sponsorship and special revenue-generating events cover 56% of operating expenses.
- > Over 80% of our operating expenses directly support exhibitions, educational programming, cultural programming and events.
- > The Appleton Art Center does not receive money from local governments, counties or the United Way. It is supported by members, the work of local artists, the community, corporate and foundation contributions.
